<sup>&</sup>lt;sup>1</sup>Includes dependent parents' and survivor (option) annuities. Except for benefit payment data, excludes insurance lump-sum and residual payment figures. Benefit payments also include hospital insurance benefits for services in Canada. <sup>2</sup>Regular employee and spouse annuity averages are preliminary estimates.

**NOTE**.--MONTHLY BENEFITS in CURRENT-PAYMENT STATUS at the end of month include all benefits awarded to date and payable for the month. BENEFITS AWARDED consist of those certified for the first time on either a partial or final basis.

BENEFIT PAYMENTS for a month, shown in both the benefit and financial statistics, consist of recurrent monthly checks dated the first of the month, plus retroactive and lump-sum payments made during the month, less returned checks (excluding those not yet distributed by Account), refunds of benefits paid previously, etc. Data are on a cash basis (unaudited) and are partly estimated.

**NOTE**.--(Continued from previous page.)

FOR WIDOWS and WIDOWERS aged 60 and over and WIDOWED MOTHERS and FATHERS, the number of benefits being paid and benefit payments include benefits temporarily being continued at spouse annuity rates, pending award of survivor annuities.

INSURANCE LUMP SUMS and RESIDUAL PAYMENTS are each counted only once with respect to an employee's death even though divided among 2 or more persons. Award data for insurance lump sums exclude deferred benefits, i.e., those payable a year after the employee's death.

Data on benefit payments are for CALENDAR MONTHS; all other data are for ACCOUNTING MONTHS ending on approximately the 20th of each month.

<sup>&</sup>lt;sup>1</sup>Benefit days--average benefit days per registration period. Benefit per week-equal to 5 times average daily benefit.

**NOTE**.--An unemployment claimant files only one APPLICATION for a benefit year. A sickness claimant files an APPLICATION at the beginning of each period of continuing sickness.

The number of BENEFICIARIES is the count of persons receiving unemployment or sickness benefits in the period. Those receiving both normal and extended benefits for unemployment or sickness are counted only once in the total for each type.

PAYMENTS generally cover 14-day registration periods. For registration periods beginning prior to October 9, 1996, no benefits were payable for first claims for unemployment or sickness in a benefit year, which generally resulted in a 14-day waiting period. Effective with registration periods beginning October 9, 1996, and later, benefits are payable for days over 7 during an employee's first 14-day registration period.

Sickness benefits are paid for days of sickness after the 4th consecutive day of sickness in the first claim in each period of continuing sickness; for subsequent registration periods in the same period of continuing sickness, payments are made for all days of sickness over 4 whether or not consecutive. Unemployment benefits are paid for days of unemployment over 4. However, in the case of unemployment benefits due to a legal authorized strike, unemployment benefits are not paid until after a 14-day waiting period. Non-strikers unemployed due to an illegal strike must also serve a 14-day waiting period.

(Continued on next page.)

NORMAL BENEFIT ACCOUNTS are opened when the first payment is made.

<sup>&</sup>lt;sup>1</sup>Net of distributed amounts. <sup>2</sup>Negative amounts reflect adjustments or refunds of overpaid contributions.

**NOTE**.--(Continued from previous page.)

BENEFIT PAYMENTS are on a cash basis (unaudited) and represent amounts paid during the period including retroactive payments, less recoveries distributed to beneficiary accounts, refunds, and cancellations of previous payments.

ADMINISTRATION FUND balances reflect current adjustments to income and disbursements for previous years.

All unemployment and sickness data relate to CALENDAR MONTHS.

LEGISLATION enacted on October 9, 1996, increased the maximum daily benefit rate, revised the formula for indexing future benefit rates, and reduced the initial benefit waiting period. The amendments also apply an earnings test to some unemployment claims and reduce the maximum number of weeks in extended benefit periods for long-service employees.

Detail may not add to totals shown because of rounding.
